# Educational Code

For the original note, please see the note in file (open file) re the Constitution and Powers of the Local Examns Committees

The question arose out of a query put by the 2d Cr (Mr C S Iyengar) in connection with a Notification & No 62 d the 12th Feb. 1923 re admission of pupils into the IV Forms of High schools

This notification directed that pupils may be admitted into the IV Forms of High schools although they did not pass the L S Exams for the reasons that on account of plague they were not able to be present at the Exams or appear for such Exams - The DPIs' competency to issue the Note in question was doubted by the 2d Cr

In this connection the Assistant secretary (Mr V R Thyagaraja Iyer) remarked as follows —

The 2d Cr put his query about 3 months ago and the office is not able to put up the information This shows, I think, the necessity for having a Compilation of Educational Rules in force, just as they have in Madras where there is also a Grant-in Code)

2d Cr's orders —

× × ×

I have long felt the need for an Education Code Please ask the DPI to prepare and submit separately

One as early as possible.
I believe he also recognises
this need

May the Dfl be asked to
prepare an Education Code
as directed by the 2d Councillor

Yes Intd L.A

The Dfl was requested to prepare
and submit the draft of an Educational
Code (vide Docket No 1152/d
20-8-03) He now requests to be
informed "if by an Educational
Code is meant a grant in Code".

Subd to Secretary

I think it should
be an exhaustive Departmental
manual containing all the standing
orders relating to Direction, inspection,
grant-in-aid, Scholarships etc the
Madras Educational Rules, Grant
in aid Code and Inspection Code
may also be advantageously
consulted by the Dfl Intd LA

Secretary's orders We want

want a compilation both of the Educational Rules and of the grant in aid rules (as a subordinate part thereof) as in Madras A draft reply is put up accordingly for approval

the 2d Councillor

Approved

The Dewan approved of the draft on 15-10-1903 Intd CS 20-9-03

The above views regarding the Educational Code were communicated to the Dfl of Edn in this office docket No G 1890 dated the 22d oct 1903

Grant in-aid code

The Dfl of Edn in his present letter (No 3499/112 d 24th oct. 1903) states that a revised grant-in Code has yet to be prepared and its provisions will have to be discussed with the managers of aided schools, which will take a considerable time

Inspection Code

As regards this Code, the Dfl says that the rules defining the powers of the Inspecting officers

Referred to in para 2 of order
No 8 1831/2 Ed dated the 17th
October 1903 — the order in
which the Deputation of Mr T R
Venkatasawmi Nayudu for inspection
work was sanctioned — will form
the body of the Inspection Code

As regards the Educational Rules, the Dfl says that they have yet to be compiled together from existing notifications

The Dfl requests sanction in this connection for two things

(1) Sanction to prepare the Grant-in-Code, Inspection Code; and Educational rules, as separate compilations

(2) Sanction to utilise the services of an Inspecting Officer or a teacher from a college or High school — whose services can without difficulty be spared — to help (the Dfl) him in compiling these Codes & Rules etc —

The Dfl does not say whom he would take

Pol 30-1903) Submitted for orders

Subd to Secty with a draft.

A departmental code
is absolutely necessary &
whether it is issued
in a single Volume or in
parts - I cannot object to
the Eglt proposal that it be
published in parts or to her
entrusting the services of
an officer who could be
conveniently shared -
